Dear Bernie,

We at Hare Chevrolet would like to thank you for the opportunity to support your efforts with Fairball, Inc. and the Talons youth baseball team. The idea of encouraging and teaching good citizenship along with baseball is outstanding.

We are making our first contribution today and we are looking forward to making many more in the near future. Every time a Talon member either buys a new or used vehicle from us, or refers someone, who purchases, we will make a contribution of \$100 to the Talons.

Hare is the oldest transportation company in the United States, beginning our enterprise in 1847. We still like to think that we treat our customers the good old fashion way, only now with all the new technological conveniences for our customers. Take a look at www.harechevy.com and see what's available. We have several hundred used cars and trucks of all makes and models at price ranges from \$5,000 to \$45,000. There are thousands of pictures of all of our new and used vehicles.

To ensure that we know of your referral or purchase make sure to send an email to Tony Leak at aleak@hareauto.com or call him at 317-773-1090 to alert us of your coming in.

Again thank you so much for the opportunity to be a part of such an outstanding effort in teaching our youth the principles of citizenship and hard work. Please pass along our feelings to all of the Talons.

Sincerely,

Monica Peck
